## Spring Term 2023 - March

### Exciting News:

Dear Parents/Carers,

As we head towards the end of term, I write to you to thank you for your continued support over the last few months.

As you may be aware, Ofsted visited us earlier this month to carry out a full inspection. This was an unannounced visit so the inspector could genuinely see how our preschool is running.

The inspection report is still being finalised, however, I can share with you that the visit went well, and that I will be sharing further details with you soon.

We are in the process of updating our website. Please feel free to take a look. We have a policy section on the website where our policies and procedures can be accessed. These policies include what you can expect from us, and what we expect from you.

I am sad to announce Mrs Sarah Pierce has decided to leave Jigsaw Preschool to pursue another role outside of the company. I would like to wish her the very best for the future. Key children have already been reallocated. In addition, as part of our curriculum this term, we have been covering "All about me". This has allowed our whole team to learn more about our children, their interests and their families.

Over the Easter holidays, children leaving in the Summer term will have their choice of school confirmed. For all our children starting school this September, we will be arranging parent communication meetings during w/c 17<sup>th</sup> April and w/c 24<sup>th</sup> April.

This is an opportunity to meet with your child's key worker to discuss their learning and preparations ready for big school! Please speak to one of our Supervisors to arrange an appointment.

I would like to wish you all a restful holiday and look forward to the many exciting things planned for the Summer term.

Should you have any questions, please do not hesitate to contact me.

*Mrs Jo Robinson*  
Chairperson
